WE ARE THANKFUL...

Thanksgiving is a special time for bringing families and friends together. Unfortunately not everyone is blessed with family to make this holiday special. Our Thanksgiving Day Celebration brings the community together in response to many broken and hurting people.

By God's grace we were able to serve over 4,000 individuals last year. This year we expect that the opportunity will be even greater. Your selfless contribution will help respond to the needs of many.

www.celebratethanksgiving.org

This year, we will again be serving at the following 14 sites plus delivering meals to the home bound:
